

THE FIESTA is coming to town, as the sign proclaims, Oct. 18 from 1 to 7 p.m. on the grounds of the Assumption of the Blessed Virgin Mary School, Sierra Madre Blvd. and Orange Grove. There will be rides for the youngsters and booths and games for all ages. A spaghetti dinner will be served in the Parish Hall from 1 to 6:30 p.m. Displaying the sign are Robin Zierk, Joseph McLaughlin, Judy Reuter, Janet Huber and William Price.

## Red Feather Opens Drive for \$12,000

A community-wide campaign to raise \$12,000 for the Sierra Madre Community Chest will begin Saturday, according to Mrs. C. L. Young, campaign committee chairman.

Door-to-door solicitation will follow a kickoff meeting of volunteer workers Saturday morning. Mail solicitations already have exceeded \$1,400 with more anticipated.

The campaign is to be completed Oct. 27.

THE \$12,000 is to go to help 11 agencies as follows:

Boy Scouts	\$2,852
Girl Scouts	2,064
Family Service	2,000
Camp Fire Girls	1,384
Community Nursery	
School	750
Toy Loan	600
Visiting Nurses	
Association	500
Children's Hospital	500
Orthopaedic Hospital	200
USO	100
Travelers Aid	50

The remaining \$1,000 will be reserved for uncollected pledges, emergencies and campaign expenses.

**WORKING WITH** Mrs. Young on the drive are Mrs. Everett Shaw, co-chairman; James F. Abernethy, Mrs. Maggie Ascher, Mrs. Gordon McMillan, R. J. Rickman, William Coulson, J. Bryce Tyler and Kenneth A. Green. The budget was adopted by the Chest's board of directors upon the recommendation of the budget and admissions committee, which includes E. R. Mitchell, chairman; J. J. Butler, Carl Cheadle, Mrs. Burton N. Cousins, Edward Nellisen and Mrs. Jack S. Thorpe.

President of the Chest is F. William Simmons. Cheadle is vice president. Mitchell is treasurer and Mrs. Theresa Tencza is secretary.

## Gerald Boas Promoted by Bank of America

Gerald A. Boas, 72 Suffolk Ave., Sierra Madre, has been promoted to officer rank with Bank of America, it was announced by vice president John A. Minehan, head of personnel for the bank's Southern California division.

Mr. Boas takes the post of assistant cashier and general lending officer at the new West Pomona branch, opening this month. He had been on the Los Angeles headquarters staff for the past few years.

Both he and his wife, Gloria, are graduates of the University of Redlands.

While at Redlands, Mr. Boas was national small college tennis champion in 1954. He later was tennis champion of the 6th Army Division.

## Friends Set Drive For Funds

One dollar from every home in town is the goal this year of the Friends of the Library which opened its annual membership drive this week.

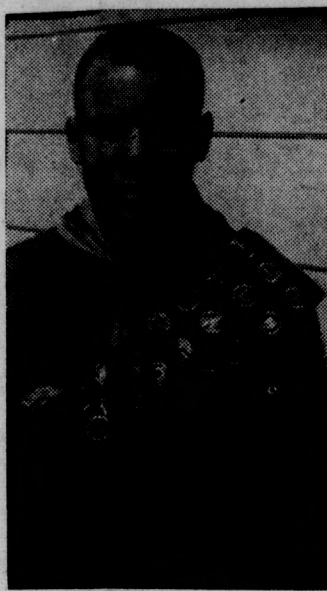

The organization, under the direction of Mrs. Helen Loomis, president, is now mailing membership information to many Sierra Madre residents. Fees this year are 50 cents for juniors (under 16), \$1 for adults, \$5 for a family, \$25 for a patron and \$100 for a life membership.

Those wishing to join may receive application blanks by calling ELgin 5-0218 or ELgin 5-2976. Blanks may also be picked up at the Library.

The Friends sponsor the monthly one-man art shows at the Library, the autumn art tour, the spring used-book sale, the Purchase Prize show and several special programs for children and adults during the winter season.

The purpose of the Friends is to enrich the Library and, through the Library, the community.

The last used-book sale, for example, netted enough to place valuable reference works in the Library, and last autumn's art tour raised enough money to offer a prize of \$400 in this year's art show and thus attract entries from well-known California artists.

CHARLES J. BEERS JR., son of Mr. and Mrs. Charles J. Beers, 1170 Doveric, became an Eagle Scout during an impressive ceremony court of honor Monday night at Sierra Madre School. He is a member of Troop 382 of the Mt. Wilson District, San Gabriel Valley Council.

## City Offers Dancing, Archery

Two new activities—social dancing and archery—are now being offered by the Sierra Madre Department of Recreation, Director David Sommers announced yesterday.

Registration for beginners' social dancing lessons may be made at City Hall between 1 and 4 p.m., Monday through Friday.

This activity is open to all boys and girls from the fifth through the eighth grades. There will be six one-hour lessons.

A fee of \$3 will be charged to share the expense of professional dance instructor, Miss Suzanne de Truan, and her assistant.

Archery instructions for all children from the fifth grade up will start Saturday, Oct. 24, at 9 a.m. at James Heasley Field in Sierra Vista Park. Registration may be made at City Hall, from 1 to 4 p.m.

A range of four targets will be set up to handle all prospective students interested in learning the fundamentals and safety factors of archery.

Two instructors from the San Gabriel Archery Association will handle the course. A fee of \$2 for seven lessons will be charged.

## Thurber No. 1 Bears Record Avacado Crop

Thurber No. 1, the famous tree owned by Col. Walter D. Thurber, 470 Manzanita, produced a record crop this season—more than 10,000 avacados.

The tree's entire history, in fact, is replete with remarkable statistics.

For example, it has produced more than 60,000 avacados in the past 10 years and, as a result, holds the record for consistent heavy bearing, disease free root stock, Randall Nurseries, which has exclusive rights to the tree's fruit, has raised and sold from the Thurber No. 1 more than 56,000 trees without a single instance of disease.

**BEFORE** THE unique qualities of the Thurber tree were discovered, the avocado industry suffered from sun blotch diseased root stock.

The California Avacado Society attempted to wipe out disease by inspecting and certifying root stock trees. The Thurber tree was worked with for a period of four years before it was finally determined that its seed was indeed remarkable.

Col. Thurber raised at his home thousands of small trees, budding them back to parent stock to make certain that no disease existed. The long testing period together with Randall Nurseries' growing experience over the past 10 years developed a record of no disease.

Trees from the Thurber No. 1 seed stock show a 97 per cent bud take from all varieties, almost 100 per cent germination and an even sturdy growth.

**COL. THURBER** has established a seed orchard from the young trees planted and budded from the magnificent parent. These trees are now seven years old, are approximately 35 feet high and about the same number of feet wide.

Mrs. Rogers, secretary of the California Calavo Society, described the Thurber No. 1 in the following words:

"No other tree of record," she said, "which has been tested for disease free qualities has had so consistent a heavy bearing history as the one grown by Col. Thurber."

## On the Blotter Police Drive On Parking Under Way

The Police Department here is now in the middle of a campaign to stop parked cars from running wild on the city's steep streets.

The department is doing this in the only way possible—writing citations for failure to park with the front wheels turned in against the curb.

In September, for example, police tagged 197 cars for parking violations of all kinds. A total of 135 of these were for failure to cramp the wheels against the curb.

**Only 26 citations, incidentally, were issued for overtime parking.**

Under the city traffic ordinance, which went into effect in 1957, cars parked on grade of more than 3 per cent must have their front wheels angled toward the curb and the handbrake set.

**A SIERRA MADRE** woman who has lived here for 52 years gratefully thanked the Police Department last week for saving her life on two occasions.

She is Mrs. Leah Devron, 74, of 533 Sturtevant Dr.

A few weeks ago, Mrs. Devron suffered a heart attack and, she said, "barely managed to get to the phone and gasp my address to the operator."

Within a few minutes Sgt. Homer Christensen and Patrolmen D. C. Tucker and L. E. Wilburne arrived, gave Mrs. Devron oxygen and took her to the hospital. This was the second time the local police had assisted her.

"They treated me like a baby," said Mrs. Devron.

**ON MONDAY** police were informed by the Pasadena Fire Department of a possible fire in the hills behind Sierra Madre, as reported by a Lower Hastings Ranch housewife. The time was 3:30 a.m.

Fire departments in Sierra Madre, Monrovia and Arcadia were alerted, and police anxiously scanned the mountainside. No fire.

Finally, Patrolman Stan Barney of the local department, accompanied by Pasadena police went to Hastings Ranch and asked the woman to show them the fire. She pointed to a large, bright star high in the heavens.

Police left quietly.

## Baseball Meet Is Scheduled For October 15

A meeting for all Sierra Madrans interested in boys' baseball will be held Thursday, Oct. 15, in the Park House in Memorial Park. The meeting will start at 8 p.m.

Parents who have boys playing in organized baseball here are urged to attend. All interested persons, however, will be welcome.

## Rare Film Scheduled October 12

"The Golden Demon," widely acclaimed Japanese film, will be shown at the Sierra Madre Library on Monday, Oct. 12, at 7:00 p.m. and again at 8:30. Admission is free.

This is the first of the films to be shown monthly during the winter under the sponsorship of the Los Angeles County Museum. This season these showings will be on the second Monday of the month, not the third.

**ALSO,** the practice of permitting standees at the 7:30 show has been discontinued. The first 100 persons to arrive will be seated; others will be asked to return at 8:30.

"The Golden Demon" has received rave notices from such disparate sources as Walter Winchell and The Saturday Review of Literature. In addition, it was voted the outstanding foreign film of the year by the National Federation of Motion Picture Councils. The award was for the quality of the acting, the photography and the color.

**THE FILM** is based on one of Japan's first modern novels, and there isn't a samurai or a porcelain princess anywhere in the cast.

The novel, written by Koyo Ozaki at the turn of the century, is rated a classic and, to judge by the reviews, the motion picture does it justice.

## Community Chest Plans 'Kick-Off' Meeting Saturday

A "kick-off" meeting for all Community Chest volunteers will be held at 9 a.m. Saturday in the Sierra Madre School cafeteria.

The Red Feathers' goal this year is \$12,000 which will be divided among several agencies.

## Architect's Proposal Passed Unanimously

Architect's plans for the development of the Sierra Mesa School playground as an athletic field were approved Monday night by the Board of Education.

This means probably that a baseball diamond will be built, as requested by the Sierra Madre Baseball Association, for play by the Babe Ruth League. It may also be used, of course, by other groups, including adults and elementary school children.

A petition protesting the use of the play area as a baseball diamond was presented to the Board of Education. It was signed by 35 residents, all of whom live in the vicinity of Sierra Mesa.

**THE FIELD** must be leveled, planted in grass and fenced. These projects may be accomplished in time to permit Babe Ruth play there next season, providing no snags develop.

One hitch, of course, is the petition, which states:

"It has come to our attention that a proposal for the use of the Sierra Mesa School (with commensurate lighting) has been made by the Babe Ruth League. This being an elementary school, it is our considered opinion it would be in violation of the conditional use permit granted for elementary school purposes."

"In addition, any use of school district funds for Babe Ruth League purposes in which boys of junior high and high school age participate would be a gift of public funds for private purposes if used at an elementary school, this being a violation of the Constitution of the State of California."

"Furthermore it appears that a Babe Ruth League use should be at the Sierra Vista Park where the already provided facilities could be expanded, which would aid in the development of the park, thus benefiting the whole community. In view of the above mentioned factors we respectfully petition that no Babe Ruth League use be made of the Sierra Mesa School."

**SIGNERS OF** the petition are:

Richard F. Gordon, Phyllis Collier, Bert Lewin, Lillian D. Slewin, Mr. and Mrs. G. McCullough, Mr. and Mrs. Robert Follott, Mr. and Mrs. Stephen Olah, Mr. and Mrs. A. L. Strong, Mr. and Mrs. Carl A. Cedarblade, Mrs. Clark Hickcox, Mrs. Nora Davis, S. S. Wray, Faye B. Wray.

William D. Stone, Davis A. Stone, Morris Bergstrom, Margaret E. Bergstrom, Lily Weinstein, M. Weinstein, Mrs. Bert Lewin, Arthur Schmidt, Louis Karelius, Wallace Karelius, William R. Barnes, Mrs. M. G. Barnes,

MAYOR CHARLES H. JAMES, active in civic and public affairs here for the past 10 years, was honored by the Kiwanis Club Tuesday for the devoted job he had done in behalf of Sierra Madre. Mayor James has been transferred by his company, Lederle Laboratories, to Westchester County, N.Y. A dinner was held in his honor last night in the Hillcrest Restaurant attended by about 80 Sierra Madrans. He was presented a scroll by E. R. Mitchell, president of the Chamber of Commerce, a copy of the Annals of Sierra Madre and a leather briefcase by Postmaster Charles Louk who was mayor before Mr. James. Lawrence C. Bevington, city administrator, and Robert H. Green, former Chamber president, were in charge. Shown in the photo are, from left, Dr. Milton Valois, Kiwanis president, Mr. Louk, Mayor James, and John Curtis.

**ARTISTS AT WORK**—The studio of Joe Carmichael, right front, will be visited during the second annual art tour on October 11, sponsored by the Friends of the Sierra Madre Library. Miss Carmichael is shown here while working with her class at the Pasadena School of

Fine Arts, which also is a tour shopping place. Other artists in the photo are Reid Byron, Sylvia Naiman and Marilyn Yaffe. In addition to Miss Carmichael's studio, the tour will include visits to the studios of Jonathan Scott, Robert Frame, Susann Guevara Mueller,

## Bouquets and Brickbats

Several well-deserved tributes were paid this week to Mayor James who is resigning after serving Sierra Madre ever since he and his family moved here in 1947.

He was extolled, of course, as an individual who has done much to benefit all Sierra Madreans. Largely unspoken, although nevertheless real, he also was honored for the spirit of community service he represents.

I HAVE never been able to discover why some people expend so much time, talent and energy in behalf of the rest of the vegetating citizenry, without any tangible reward.

Sierra Madre's officials, with the exception of our few professionals, are not paid. They work long and hard on problems which frequently must be utterly boring, and in general they are more often hit by brickbats than by laudatory bouquets.

True, there is some prestige attached to a public job, some small bit of power, but both wear pretty thin after a few months in office. And in practice both factors trickle down to even more time-consuming, enervating jobs, such as speech making, attending public dinners, having oneself photographed at an unusual hour by the home-town "Blast," and attempting to solve the problems of every sore-head in town, many of whom would be better advised to consult their psychiatrist.

IT SEEMS, indeed, that the only times we get around to praising our public servants is either when they resign and move 3,000 miles away or when they die.

Perhaps this is as it should be. Probably the role of the citizen in a free society is to criticize, to complain, to keep government from becoming too big for its britches (although this last goal seems to have been pretty well by-passed everywhere in the world).

If, amidst all our complaints, we realize that somebody has to keep house, that somebody must assume the responsibility of protecting our individual and joint rights as relatively free citizens, of assuring us of some voice in our own determination—perhaps we'll blunder through.

MAYBE THIS is why Mayor James and others like him are willing to devote their time, energy and talents to the frustrations of public, unpaid office.

An overly sentimental appraisal, you say? I don't think so.—H.W.E.

## Lee Shippey asks What Do You Think?

President Appley of the American Management Association, speaking at a Caltech conference the day the Dodgers won the pennant—which probably so diverted public interest that very few heard or read what Mr. Appley said—warned that unless American manufacturers and workers make it their goal to produce better goods at lower prices many American manufacturers will set up plants in foreign lands, to turn out great quantities of merchandise which will undersell and outlast much of what is produced in our country. Inevitably, that would result in less prosperity for business here, less employment for labor here, and far less world leadership all around.

But all hail to our land of the free advice which no one heeds. All hail to our world championship in deaf ears. When it comes to taking solemn warnings seriously all America needs hearing aids. We all know that billions of American capital have been invested in foreign factories of many kinds, from cosmetics to motor cars, not only to sell abroad but to undersell us here.

When ours were "infant industries" high tariff could keep out foreign competition but now that we out-produce all the world we must export to live in the style to which we have so rapidly become accustomed, and right now we are importing steel from any nation which has it to spare. Even motion pictures

are being made in foreign lands because costs are much lower there.

IT IS COMMON practice for all those not helped by labor to blame the steadily rising cost of living on labor, but labor is only following the lead of management. Take the steel strike, for instance. The first six months of this year the net profits of U.S. Steel were more than \$500,000,000. But was that enough? Not on your life. The management might have announced that business was so good it could reduce prices 10 per cent, so that all other industries needing steel could reduce theirs.

But the management of practically every great corporation is like a football team—it wants to roll up the biggest score possible. Didn't Time put the picture of the president of General Motors on its cover naming him its man of the year, when that company's net profit exceeded a billion dollars in one year? The president of Big Steel wishes to break records, and so did the president of the steel union, though both were doing far better than either will be doing if too much industry is driven out of our land.

ISN'T IT AN odd world, when Mr. 'K' of Russia and Mr. Appley of the American Management Association warn us of the same fate, though widely differing routes may lead us to it?

## Your Congressman . . .

## Sees 'Spenders' Resuming Fight for Aid

By Edgar W. Hiestand  
Rep. 21st Dist. Calif.

At the next session of Congress you can look for the "spenders" to resume their battle for the following:

A depressed areas program which discriminates against other areas.

A new and inflationary minimum wage law.

A spendthrift federal aid to education program.

Lavish spending for housing and urban renewal.

A costly community facilities program—more federal intervention.

FURTHER, with national party conventions scheduled for July, there will be pressure for hasty action on these measures. With the numerical ratio, "spenders" to "savers" about 2-to-1 in both House and Senate, we shall be again hard pressed to bat down these threats. But we can do it if the American people back us up and demand a balanced budget.

Why balance the budget? The under secretary of the

treasury, Fred C. Scribner Jr., explained it this way:

"Let me make it very clear that there is no striving for a balanced budget simply for the sake of achieving balance. A balanced budget is an important and an understandable symbol of sound fiscal policy and good government. Its primary purpose is to safeguard the savings and the purchasing power of the dollars of every American. It is imperative that all of us who know this to be true constantly inform the people of this country of the reasons why we need balanced budgets and the problems which surely will follow if we continue for an indefinite period of time to spend substantially more than we collect. A balanced budget works for a growing economy. It works against inflation. It inspires confidence. It is one thing we can strive for to assure economic growth and expansion."

"We will grow as a country only if we produce more than we consume and use our surplus to provide new sources of production. With assurance that the value of their dollars will be protected, people will work harder, save more and invest more. Our economy will glow only if we have the savings needed for investment capital."

"IF WE ARE to continue for an indefinite time the

heavy burdens on the military and civilian fronts which the cold war makes essential, we must have an economy which will grow, which will be dynamic. We need informed businessmen, workers, savers and investors who know how best to contribute to economic growth. We need people who understand that there is no substitute for hard work, careful planning, and true saving."

"We will grow as a country only if we produce more than we consume and use our surplus to provide new sources of production. With assurance that the value of their dollars will be protected, people will work harder, save more and invest more. Our economy will glow only if we have the savings needed for investment capital."

## OUT OF THE COBWEBS

42 YEARS AGO THIS WEEK, Oct. 8, 1917—Charley M. Nomura, who has been driving a vegetable wagon or auto in Sierra Madre for the past eight years, has decided to retire to the more stable occupation of storekeeper and is arranging to open a new store in the room just west of the bank.

The visit of the Tank Democracy to Sierra Madre was the signal for Sierra Madre to go over the top on the Fourth Liberty Loan quota of \$7,000.

For Rent: Completely furnished bungalow, 375 W. Grand View. \$35 a month. Apply to owner, Miss T. H. Graham.

20 YEARS AGO THIS WEEK, Oct. 6, 1939—Troop 2 Scouts from St. Rita's receiving awards were David Duran, George Grijalva, Robert W. Newberry Jr., and William H. Newberry.

Mrs. A. D. Cain, 71 E. Alegria, returned from a week's vacation at Hermosa Beach.

Among Sierra Madreans attending the matinee of the Mission Play in Pasadena were Miss Clara Sykes, Mrs. Jack Minor, Mrs. Laura Cline and Mrs. W. J. Miller.

10 YEARS AGO THIS WEEK, Oct. 6, 1949—The choir of the Sierra Madre Congregational Church has a new director, Carl Landahl of Pasadena. He replaces recently retired Kenneth Bush.

Joan Galkin, daughter of Mr. and Mrs. Rudolph Galkin, 110 Mira Monte, returned from an extensive trip throughout the eastern states and Canada.

Charles Leonard "Peewee" Cullum, Sierra Madre's racing motorcyclist, left England for the States. He was entered in a race in Great Britain.

CRAMP THOSE wheels! Cuddle that curb—or be ticked by the SMPD for foolhardy hill parking. Looked like every car up and down Baldwin Ave. was cited the other noon.

UNACCOUNTABLE AUTO. How does a driver feel when the steering apparatus comes off in his hands? Ask accountant Edward Nelissen, who was left holding the wheel on the Pasadena Freeway one morning last week. Fortunately, he became suspicious of his '54 Packard's behavior in time enough to swing from the middle to the right hand lane before the wheel bolt let loose altogether.

Two passing motorcycle officers helped get the sedan off the frantic freeway by nudging the car's wheels with their 'cycle wheels to keep the auto in line until they reached a quiet street—and Auto Club aid.

AN ENCOURAGING word from Margaret Schwartz, who says that husband, Tom, is "progressing very satisfactorily" following surgery at St. Luke Hospital, last Thursday. He'll probably come home Sunday. Tom, president of the Sierra Madre Hardware, is former Mayor of Sierra Madre—and one of the Square's friendly and familiar ambassadors.

HANDBILLS AWAY! The six men hired to pass 6,000 handbills Monday morning made an unexpected return pass and picked them all up again. Why? Because our Police Department reminded them that it's against the law to litter lawns with unsolicited material (hear ye, dogs!).

THE PAINFUL injuries on Hugh Powelson's face are due to a spill from his motorcycle last Thursday. He went to make a left hand turn from Foothill Blvd. onto North Baldwin, was forced to swing wide because of another auto—and ran into the divider strip. Next thing Hugh remembers is an ambulance ride to Arcadia Hospital where they doctored his injuries: mostly skin abrasions and a wrenched left shoulder.

"Thursday just wasn't my day," said Hugh, who is a cautious motorcyclist. "En route to work in the morning, three cars nearly ran me off the road—that noon I broke my big toe trying to start the 'cycle—and finally the accident coming home in the afternoon!"

NEOTA MEYER visited the Paul Burton home, 31 E. Alegria, recently, and friends learned she's just as busy with Newport Beach activities as she was in local affairs. During her residence here, Neota was a longtime member of the Civic Club, an ardent Red Cross worker, aide-de-Blood Bank, etc.

TORTOISE TRAPPED. "George," Jo Whalen's lost tortoise, turned up in the Whalen's basement after a two-month enforced hibernation when he got stuck between the wall and hot water heater. George had a hearty appetite prior to his imprisonment and was able to survive the squeeze nicely. Only trouble is, four other tortoises (found by Jo in the meantime) have taken over his pen (once his exclusive domain) and George is pouting.

PROFIT-TEA-RING? Two ladies of Kersting Court say "there must be a tea bag inflation"—judging from the 30 cents they were charged for two cups of tea the other p.m. Perishing for a spot of tea, one of the ladies took two empty cups from the office into a nearby cafe. The obliging waitress filled each of the cups with hot water, using one tea bag for both cups—and charged 30 cents. (Since tea regularly retails at about 25 cents per 16 bags—the women have decided to invest in their own bags and bring a hot plate to the office.)

By Robert G. Spivack

THE FORGOTTEN WORD—I am willing to concede that life in this Capital may never be the same, now that old St. Nikita has come and gone. But there is just one little thing that disturbs me. In the joint communiqué issued by the President and Mr. K the word "freedom" does not appear even once. I do not recall that the White House or the State Department have used it since the jovial dictator returned to Moscow.

The terms "peace," "relaxation of tensions" and "melting the ice" of the cold war are lovely and I'm for them. I just wish the phraseology was a little more detailed and I hope that the old-fashioned word "freedom" does not get lost in the happy handclapping.

ON CRITICIZING CONGRESS—Many congressmen

reacted violently when James Carey, the peppery president of the International Union of Electrical, Radio and Machine Workers (AFL-CIO), suggested they might be held accountable at the polls for their vote on the Landrum-Griffin labor bill.

Yale graduate and labor writer Andrew Bennett was inspired to describe their anguished reaction in verse:

By Andrew Bennett

It's arrogant treason,  
It's threat without reason  
That workers should note  
How their congressmen vote.

You'll spoil the whole system,  
We'll never resist 'em  
If once they get word  
How we gave them the bird.

You hum-in-the parkist  
You out-and-out Marxist,  
We've given them Hell  
Now you go tell

It's un-Dixiecratic  
Obscene and erratic  
That workers should know  
How their congressmen go.

How dare you defy us  
And undignify us,  
We're low grade it's true  
But we're better than you.

You're working-class Irish,  
You're pig in the mirish,  
You're too lower class  
To be giving us sassa.

Who gave you permission  
To fight coalition?  
Who says you can shrill  
At your Kings on the Hill?

This ugly position  
Can lead to sedition.  
You'll end our domain  
And the people will reign.

## Earth Faults Uplifted Our Mountains

By Bill Wark

There is nothing in Sierra Madre more grand and imposing than our mountains. After contemplation of size and a thought of their beauty to every inquiring mind come the questions: How did the mountains come to be, and when were they created?

Relatively little attention has been given our mountains by the geologists. It is only recently that an intensive study of this range has been undertaken. The outstanding authority on the history, or rather the geomorphology, of the San Gabriel Mountains is Professor William J. Miller of the University of California. The following history of this mountain range is largely taken from Professor Miller's publication entitled "Geomorphology of the Southwestern San Gabriel Mountains of California."

PROFESSOR MILLER states that these mountains are composed of a great block of metamorphic and igneous rocks which have been uplifted between three important faults, the Sierra Madre, San Gabriel and the San Andreas on the north side. The location of these faults gives the mountains a general east-west trend, thus causing them to lie in a direction not in accordance with that followed by the principal ranges of California.

The metamorphic rocks found within the San Gabriel Mountains comprise schists, crystalline lime stones and quartzites of the Jurassic

age or older. Everywhere within our mountains the rocks have been shattered by faulting. This shattering has been accentuated by the fact that the rocks are largely crystalline and when placed under stress are inclined to fracture rather than to fold.

Professor Miller believes that the San Gabriels were first uplifted at the time of upheaval of the Sierra Nevada. What existed in this area before that time is a matter of conjecture. However, it seems apparent that "the older sedimentary rocks were subjected to a very severe pressure and metamorphosed, intruded and injected by large volumes of plutonic magma."

IT IS BELIEVED that the uplift of the original San Gabriel Range occurred before the end of Cretaceous time. During part of Eocene time the San Gabriel Mountains were surrounded by ocean. A long interval of erosion occurred and by the beginning of the Quaternary time the original mountains had been worn down to a condition of relatively low relief.

The state of the San Gabriel Mountains at the end of this long period of erosion is believed to have been similar to the existing condition of the Perris Peninsula, southeast of Riverside. In fact the Perris Peninsula is considered a remnant of the early mountains.

At the end of the Tertiary period another great mountain upheaval occurred and the eroded San Gabriel Mountains were elevated as

## Bethany To Show Mission Film

The film "Of Wings and Missions" will be shown at Bethany Church this Sunday evening at 7. This is a documentary of the work of Missionary Aviation Fellowship, made nationally famous through the story of Nate Saint, jungle pilot to the Auca Indians. One of the M.A.F. pilots, Hoby Lorentz, will speak briefly at the church.

DR. SCHAPER will leave for Portland Sunday afternoon to begin a series of meetings in the Hillsdale Community Church, extending through Oct. 18.

THE BETHANY Chancel Choir will conduct its third annual retreat this weekend at Alpine Lodge near Lake Arrowhead. Work shop and rehearsal sessions begin at 8:30 p.m. on Friday and extend through Saturday, closing with a banquet for the 50 choir members and their families.

Margaret Schaper, music director, will present the music program for the coming year. New choir officers are: president, Al Eby; vice president and chaplain, Jim Jeffries; treasurer, Helen Obazawa; secretary, Jean Doughty.

## Church News

### Park Breakfast Planned Saturday by Troop 376

Boy Scout Troop 376 of the Church of the Ascension is sponsoring a breakfast to raise funds on Saturday morning, Oct. 10, from 7:30 to 10 o'clock at Sierra Madre Memorial Park. Tickets are 50 cents per person.

THE FALL meeting of the Episcopal Churchwomen of the diocese of Los Angeles will be held Tuesday, Oct. 13, at St. Cross Church, 1818 Monterey Blvd., Hermosa Beach, beginning with Holy Communion at 10 a.m.  
The morning speaker will be Emily Gardiner Neal, member of the Order of St. Luke, and author of "A Reporter Finds God."  
Following the 12:30 luncheon, the Rev. Raymond K. Reibs, recently called to be rector of St. Michael and All Angels, Studio City, will discuss his work as a missionary in Brazil, relating it to the United Thank Offering in that area.

THE YOUNG PEOPLE'S Fellowship is planning a day at Huntington Beach Saturday, Oct. 10. The group will leave from the church at 8:30 a.m., accompanied by Mr. and Mrs. Robert Bock and Rev. Harlan I. Weitzel.

### Yom Kippur Rites Start Sunday at Foothill Center

Rabbi Charles W. Steckel, spiritual leader of the Foothill Jewish Community Center of Temple Beth Israel, will conduct "Sabbath of Repentance" services on Friday, Oct. 9, at 8:30 p.m., and Saturday at 9 a.m. William F. Lapson will be the guest speaker, and Mr. and Mrs. George Roane will be hosts Friday evening.  
"Yom Kippur" services will begin promptly at sundown Sunday, Oct. 11, at 7 p.m., and Monday Oct. 12 at 9 a.m. The rabbi will conduct the services and deliver the sermons.  
Cantor Barnett Mitok will chant the "Kol Nidre" and the Holy Day Liturgies, assisted by Mrs. C. Towner at the organ. "Yiskor" or memorial services will be held at the Monday service at 11:30 a.m.

### UN Topic for Methodist Women

The Women's Society of the Christian Service of the Sierra Madre Methodist Church will hold its general meeting Oct. 13 at 10 a.m. in the Parish House.

The program, under the direction of Mrs. James Case, first vice president, will present Charles M. Schermerhorn as speaker. He will discuss "The Role of the United Nations in World Affairs." Mr. Schermerhorn is superintendent of the Plaza Community Center in Los Angeles.  
Devotions will be given by Miss Ettie Lewis and the business meeting will be conducted by Mrs. William Heller, president. The Ruth Circle with Mrs. Jesse Albright, chairman, will give a progress report on the work of their group.

A salad luncheon prepared by the Susanna Wesley Circle, Mrs. Harold Porter, chairman, will follow the meeting. Baby sitter service is available and mothers are asked to bring a sack lunch for the children. Milk will be provided.

### Holy Name Society Sets Communion, Breakfast Sunday

Sunday will be the regular monthly communion for the Holy Name Society of the parish, Rev. Thomas O'Malley, pastor, announced.

Following 8:30 mass, the bi-monthly breakfast meeting will be held in the school hall with Sidney A. Brown, president, presiding.

Edward Duckworth will prepare and serve the breakfast for some 200 members, assisted by Carl Scalzo, Edward Vascelka and Anthony P. DePasco.

Following breakfast John Nuccio, program chairman, will introduce the McKeever twins, members of the varsity football team of U.S.C. The twins will discuss the football prospects for the present season. Mr. Carlyle Griffin, chairman of the breakfasts, will have as his committee this month Donald Terrell, Bernard Wynn, Joseph Sweeney, William Volmert, Thomas Welch, Manuel De La Torre, and Charles Collins.

### 'Africa on Move' Is Topic of Study Group

Mrs. Roy Pickett, a representative of the Congregational Church last summer at a missionary education conference at Asilomar, will give her report at the first meeting of the study group of the church in the church parlor, Tuesday, Oct. 13, at 10:30 a.m.

Mrs. Pickett will include information on the study group's new topic, "Africa on the Move," today's changing Africa, not just the continent of jungle villages, drums, safari, poverty and exploitation.  
"The study group invites all who are interested to attend this meeting," said Mrs. O. E. Robinson, president.

### Church Supper Planned by Congregational

The second all-church supper of the fall season will be held at the Congregational Church next Wednesday evening, Oct. 14. Under the auspices of the Capital Funds Mission Committee, the very fine film, "Where Your Treasure Is" will be shown. The film was made by the Southern California Congregational Conference, using the location and the personnel of several churches in the area.

Pilgrim Fellowship is in charge of the arrangements for the program. The dinner is "pot-luck" and child care will be provided during the program.

THE LOS ANGELES Association of Congregational Churches and Ministers will meet at Palos Verdes Estates this coming Sunday. Several delegates from the Sierra Madre Congregational Church will attend, including Charles Tye and the pastor, the Rev. George Lindsay. Mr. Lindsay is the scribe of the association.

### 'Law and Good' Is Sermon Topic Of Dr. Barnhart

The Impersonal Law of Personal Good" will be Dr. Ethel Barnhart's topic for the Sunday worship services, 9:15 and 11 a.m. Sunday, Oct. 11 at the Santa Anita Church of Religious Science, 778 S. Rosemead Blvd.

## Woman's Club Sets Luncheon

The Sierra Madre Woman's Club will have its October luncheon meeting Wednesday, the business session to open at 11 a.m. and the luncheon to follow.

George Stuart, painter, lecturer and sculptor, will be the speaker of the afternoon, presenting his exhibit of historical figures along with many stories about them.

Mr. Stuart has created a remarkable galaxy of well known historical personalities, modeling and painting them from existing portraits, designing and executing their costumes down to minute detail.

Mrs. Henry N. Wade, program chairman, said this event will be one of the outstanding ones of the year. Bridge and canasta will complete the afternoon. Reservations must be received by Monday night, and may be made by calling Mrs. Orpha Sutton at Elgin 5-9126.

## University Women Set Membership Tea at Caltech

The Pasadena Branch of the American Association of University Women will hold its annual membership tea at 2:30 p.m. Saturday in the Athenaeum of the California Institute of Technology campus, 551 S. Hill Ave. Mrs. Muriel Beadle will give her impressions of English education and the Oxford University "Community."

Mrs. Beadle is the wife of Dr. George Beadle of Caltech. Dr. Beadle won a Nobel Prize in 1958 for his work in genetics and last year was a visiting professor at Oxford University. Mrs. Beadle's son, Redmond, attended an English school during that time. Mrs. Beadle is the author of a recent article in The Saturday Evening Post, "Are British Schools Better Than Ours?"

Reservations may be made through Dr. Gertrude Ballard, membership chairman.

## Miss Noble Will Marry Mr. Newlin

Miss Jean Louise Noble, 485 Santa Anita Ct., who makes her home with her aunt and uncle, Mr. and Mrs. Robert B. Henderson, last night announced her engagement to Douglas Robert Nowlin, son of Mr. and Mrs. Russell D. Nowlin, 2181 Laton Ave., Altadena, now in the Navy in San Francisco.

The announcement was made to Miss Noble's Delta Epsilon sorority sisters at a meeting last night at the home of Miss Nancy Zimmerman, 421 Santa Anita Ct., in the traditional candle passing ceremony. During the ceremony, a lighted candle is passed twice around the circle of sorority girls, and the second time around the engaged girl blows it out, thereby revealing her secret.

The bride-elect attends Pasadena City College and is a dental assistant. She has made her home in Sierra Madre with her aunt and uncle for a year, moving here from Pasadena.

Mr. Nowlin attended Calpoly in Pomona, studying animal husbandry.

The wedding is scheduled for April when Mr. Nowlin returns from the service.

## Social and Club Activities

### Sewing Group Plans for Needlework Tea Oct. 22

Anticipating the annual "Ingathering" tea Oct. 22 of the Sierra Madre-Hastings Ranch Section of the Needlework Guild of America are a group of Sierra Madre women who have sewed together for the event once a month for an entire year.

This sewing group, which has been meeting at the home of Mrs. Nathaniel Van De Verg, includes Mrs. Marion O'Connor, Mrs. Louise Mesemer, Mrs. A. Hasting Daniel, Mrs. Paul Barksdale d'Orr, Mrs. John Fettes, Mrs. Adolph Gourdeau, Mrs. Carl Hansen.

Also, Mrs. George Johnson, Miss Elsa Kraft, Miss Gladys Kraft, Mrs. William Mann, Mrs. Charles Morrison, Miss Jean Woodward, Mrs. Trula Sewall, Mrs. A. M. Bonay and Mrs. J. B. Jovenat.

The tea will be held from 3 to 5 p.m. Oct. 22 at the home of Mrs. Hugh Colvin, 336 Sturdevant.

A volunteer charitable organization founded in 1895, the Needlework Guild furnishes new articles of wearing apparel and household linens for the needy. It is an organization that helps other charities, hospitals, homes for the aged, orphanages and institutions. Articles are collected once a year by the branches and these collections are known as "ingatherings." The articles collected by the branches are distributed by them to the institution or welfare agencies of their choice.

### Sierra-Hastings Camp Fire Log

## Coffee Party Welcomes Neighbor

Mrs. Hadley Ford and Mrs. Robert Grube were co-hostesses at a coffee party honoring their new neighbor, Mrs. Cary Stephenson, in the Ford home, 1445 Davenport.

Mrs. Stephenson, with her husband, Captain Stephenson, have recently purchased the home at 1449 Davenport. Capt. Stephenson was stationed with the U.S. Army in Alaska for the past three years. He was recently assigned duty at Caltech with the R.O.T.C. program.

Among those in attendance at the party were Mrs. C. Neal Rowley, Mrs. Daniel W. Wells, Mrs. Raymond Cox, Mrs. William Morzow, Mrs. Dwight Smith, Mrs. Ervin "Duke" Douglyn, Mrs. M. E. Vogel, Mrs. Albert Bergh, Mrs. George Davis, Mrs. John D. Wallace, Mrs. Lillian Cridle and Mrs. Maurice M. Shoemaker.

## Funeral Services Observed for W. A. Evans

Funeral services were held Tuesday at Ripple Mortuary for Willard Arthur Evans who died Oct. 3 in the Sierra Madre Hospital. He was 87 years old, a resident of 365 W. Sierra Madre Blvd.

A native of Indianapolis, Ind., Mr. Evans moved to Sierra Madre in 1906, worked in Los Angeles briefly and then opened a chicken ranch at the family home, 397 W. Montecito. He moved to the Sierra Madre Blvd. address last January.

Mr. Evans was a longtime and active member of Bethany Church.

Rev. Robert N. Schaper, Bethany pastor, officiated at funeral rites. Interment was in Mt. View Cemetery.

Mr. Evans is survived by his wife, Sadie B. Evans, and one daughter, Miss E. Florence Evans, Pasadena. Also surviving are four stepsons, two stepdaughters, a sister, four grandchildren and seven great grandchildren.

## Edison Company Starts College Scholarship Plan

Announcement of a Southern California Edison Co. college scholarship program for high school students in this area was made yesterday by Paul J. Langlie, Edison district manager.

Mr. Langlie said that the program initially will consist of five scholarship awards for the 1960-1961 academic year and 10 awards each year thereafter.

Winners will receive a \$500 award toward tuition and expenses, and collateral grants of \$750 will be made to the 10 designated colleges or universities attended by the students.

Resolutions to reform come from those who have been detected.

<p><b>NOTICE INVITING BIDS</b></p> <p>Notice is hereby given that sealed bids will be received at the office of the Chief Engineer of the Los Angeles County Flood Control District, Room 106, 2250 Alcazar Street, Los Angeles, California, up to 1:00 p.m. Friday, October 30, 1959, and will then be publicly opened and read in Room 121 at the above address, for the CONSTRUCTION OF STORM DRAIN BOND ISSUE PROJECT NO. 579, SIERRA MADRE AND ARGENTA, LINES A, B, C, AND D, IN THE CITY OF SIERRA MADRE AND ARGENTA, CALIFORNIA.</p> <p>Bids must be submitted on two proposals.</p> <p>Proposal 1 includes Lines "A", "B", "C", and "D". This work involves the construction of 248 linear feet of 8-foot wide by 4.5-foot high reinforced concrete box conduit, 4,690 linear feet of 36-inch to 15-inch reinforced concrete pipe main line conduit, 729 linear feet of 15-inch to 33-inch reinforced concrete connector pipe, and appurtenant works thereto.</p> <p>Proposal 2 includes all of Lines A, B, C, and D excepting that the 18-inch inlet at Station 8+37, Line "B", and the 8-inch brick manhole at Station 8+37, Line "B". Work to be performed under Proposal 2 involves the construction of 725 linear feet of 36-inch and 42-inch reinforced concrete pipe mainline, conduit, 132 linear feet of 15-inch and 18-inch reinforced concrete connector pipe in addition to the work listed for Proposal 1 above, and appurtenant works thereto.</p> <p>The appurtenant works referred to above include, but are not limited to, catch basins, manholes, junction structures, transition structures, inlet structures, outlet structures, remodeling sewer connections, etc.</p> <p>Each bid must be accompanied by a certified or cashier's check or bidder's bond in an amount equal to ten (10) per cent of the amount of the bid, payable to Los Angeles County Flood Control District, and a guarantee that the bidder will enter into a satisfactory agreement with the District, if awarded the contract, to complete the work within the time specified in the contract, and to furnish a bond in the amount of fifty (50) percent of the amount of the contract to guarantee the faithful performance of the work in accordance with the contract and specifications therefor and a bond in the amount of fifty (50) percent of the amount of the contract to guarantee the payment of the materialmen and laborers. Each bid must be made on the proposal blanks prepared by the District. The bidders bond must be duly executed by the bidder and a financially sound surety company authorized to transact business in this state and whose name is on file with the County Clerk of Los Angeles as an approved and financially sound surety company.</p> <p>The right is reserved to reject any or all bids not suited, in the judgment of the Board of Supervisors, to the best interests of the District.</p> <p>Further information will be furnished and sets consisting of proposal blanks, drawings and copies of the specifications may be obtained at the office of the Chief Engineer of Los Angeles County Flood Control District, Room 106, 2250 Alcazar Street, Los Angeles, California, upon payment of a fee of \$1.00 per set.</p> <p>If drawings and specifications are picked up at the District's office, the purchase price is \$2.50 for each set which must be paid at the time the set is picked up. A mail address must be left with the District at that time which the prospective bidder agrees is sufficient to reach him. Please note that upon payment of the purchase price the appropriate purchase price and specifications become the property of the purchaser and are not to be returned to the District for refund.</p> <p>If drawings and specifications are requested by mail the purchase price is \$2.50 for each set and the request must be accompanied by a check or money order in full payment for the number of sets desired. A return address must be furnished with such request which the sender thereby agrees is sufficient to reach him. Please note that upon payment of the appropriate purchase price the drawings and specifications become the property of the purchaser and are not to be returned to the District for refund.</p> <p>The above prices include sales tax.</p> <p><b>PREVAILING WAGE RATES AND EMPLOYMENT OF ALIENS</b></p> <p>Sec. 1852 (Labor Code, State of California). ALIEN NOT TO BE EMPLOYED: Exceptions. No contractor or subcontractor or agent or representative thereof shall knowingly employ or cause or allow to be employed on public work any alien, except in cases of extraordinary emergency caused by fire, flood, or danger to life or property, or except on work upon public military or naval defenses or works in time of war, except as otherwise provided by law.</p> <p>Sec. 1851.5 (Labor Code, State of California). # A WONDERFUL NEW WORLD OF FORDS FOR 1960

FINEST FORDS OF A LIFETIME

This new Ford Galaxie, like all the new, beautifully proportioned 1960 Fords, is styled from a new viewpoint. Traditional automotive elegance combines with modern design in the style of a new decade!

In 1960, for the first time in history, your Ford Dealer presents not one, not two, but three new lines of Ford cars...

- The 1960 Fords—The Finest Fords of a Lifetime, beautiful from any Point of View, worth more from every Point of Value!
- The 1960 Falcon—The New-Size Ford, the world's most experienced new car and the easiest car in the world to own!
- The 1960 Thunderbird... The World's Most Wanted Car!

Introducing the New-Size Ford... the 1960 Ford Falcon

Meet the New-Size Ford—the Falcon! Here's a car with plenty of room for six big adults and all their luggage. It's sized to handle and park like a "small" car... powered to pass and climb like a "big" car... and built like no other car for savings!

It gives you up to 30 miles per gallon on regular gas. Aluminum mufflers normally last twice as long as ordinary kinds. A Full-Flow oil filter lets you go 4,000 miles between oil changes. Even insurance can cost you less! And this Falcon is the world's most experienced new car. It was driven over every mile of numbered Federal Highway in EXPERIENCE RUN, U.S.A.—a grueling demonstration climaxing Ford's 3 years of development and testing.

The Falcon has the features that American car buyers expect. Its gearshift is on the steering column—not on the floor. Its engine is located up front for greater stability and safety. Best news of all is the Falcon's low, low price. See it at your Ford Dealer's... and see the difference!

15% Discount on Sunbeam Appliances...

ARNOLD'S HARDWARE EL. 5-3365 297 W. SIERRA MADRE BLVD.

only Sunbeam PERCOLATOR has all these features

- Heavy nickel and chrome plating inside and out.
- Stainless steel percolator pump makes cleaning easier. Will not stick or corrode.
- Enclosed quick-heating tubular element.
- Easy-to-see, easy-to-set strength selector dial. Signal light goes out when coffee is done.

Now you can see them—the Finest Fords of a Lifetime! Economy-minded Fairlans. Big-value Fairlane 500s. Elegant Galaxies. A breath-taking new Sunliner convertible and a brand-new hard top model, the flashing Starliner. Then there's a whole new world of Station Wagon Living, too. It all adds up to 15 glittering variations of the world's newest, most elegant styling theme!

And Ford sets the new trend in power. Ford's Thunderbird 292 V-8 and 352 V-8, like the famous Mileage Maker Six, bring a new world of smoother, hotter performance on regular gas.

To top it all, the Finest Fords of a Lifetime are priced for savings. Ford is still priced to outvalue all comparable models of its major competitors.

Ford savings, however, only begin with a low price. You save still more with engines that thrive on regular gas and save up to a dollar on every tankful... a Full-Flow oil filter that lets you go 4,000 miles between oil changes... Diamond Lustre Finish that never needs waxing... aluminum mufflers that normally last twice as long as conventional types... new, safer, Truck Size brakes that are the biggest ever in Ford's history... and new soft-tread, Tyrex cord tires that run quieter, last longer.

In every way these are the Finest Fords of your Lifetime! See them at your Ford Dealer's!

### One Good Meal Africa's Big Problem

"While the United States and Canada seem to find their greatest need is for more parking facilities, the underprivileged countries of the world have a rather different need: One good meal per day."

These were the words of Miss Elsie Farris, Long Beach attorney and world traveler, who addressed the Women's Fellowship of the Congregational Church at a recent meeting under the leadership of Mrs. Walter J. Rode and Mrs. Leslie Chapman.

HER TOPIC was "Africa, a Continent in Revolution." "With an old culture in sculpture, pottery and well established tribal legal systems," Miss Farris said, "there is a continent of 200,000,000 with 85 per cent illiteracy, yet with the growing, fervid desire for education."

"This desire is expressed in the need for reform in education, law, and all human relations. Even the women of Ghana have recently held a convention to discuss the abolition of polygamy so prevalent in every tribe because," she added, "the men want their work done for them by many wives."

GUESTS OF THE Sierra Madre Congregational Church, women from the churches of Altadena and Covina, attended this meeting as an inspirational springboard for the new discussion topic of the churches' study groups, "Africa on the Move."

Preceding the address, spirituals were sung by the Congregational Church trio, Mmes. Mac Cason, William Hawkins Jr. and Clifford Ward.

A tea was served by the church group, Conserso.

COMMUNITY FORUM Thursday evening, Oct. 8, at 7:45 p.m. The Community Forum will present "The Social and Economic Problems of Eastern South America," in the Monrovia-Duarte High School Auditorium. This is a new film with emphasis on Buenos Aires and other parts of Argentina.

### Baptism Rites Planned at Shepherd of Hills

"There Is Still Time" is the sermon of the Rev. Ray E. Hansen, pastor of Shepherd of the Hills Lutheran Church, for the 10 a.m. worship service Sunday, Oct. 11.

"God is a God of patience with all of us," he explained, "and gives us time now to come to Him and live the Christian way of life. He showed us in the life of His Son Jesus Christ. However,

we never know when death will take us out of history and out of time. Then it is too late and all who have rejected Christ will find the gates of Heaven closed. God promises us a perfect life hereafter but we must choose Him now—today."

Holy baptism will be administered at the 10 a.m. worship. The baby son of the Rollo S. Pickford family of

Sierra Madre, Scott, will be baptized.

Sunday School classes for all ages are at 9 a.m.

## VILLA VIEWS

By Toni Maurin  
Sierra Madre 7-9634

I haven't made up my mind which has been more frustrating, the many moods of the OKaying Mr. "K," or the ups and downs of our fair city's Dodgers. Either have been enough to make a strong back bow. And never let it be said that the press underplayed one for the other.

There they sat, side by side, on the front page of every newspaper in the country. How Mr. K. must have grimaced when he realized the frivolous Americans thought so much of sports that they would front page them right along with his half truths and solutions to world peace.

Well, he has gone home and the series is over, so we can all settle down to the everyday worries like strikes, death and general disorder, till time to worry about Christmas shopping! And this, too, will pass!

**THE GEORGE W. Sanders** of Old House Rd. received the surprise of their lives last week when the members and staff of the Colonial Pharmacy dropped in en masse with all the ingredients for a fancy house warming. In addition to bringing all the refreshments up to and including ice, they bore gifts that will serve as a daily reminder of their friendship. Among the gifts were a portable barbecue, an electric skillet, a cocktail set, ash tray, camellia plant, hors d'oeuvres tray and patio furniture complete with table and umbrella.

The party was organized by Dr. and Mrs. Al Thomas and the guests were Dr. Richard Patek, Mr. and Mrs. Ted Butcher, Mr. and Mrs. Elliot Douglas, Mr. and Mrs. Ed Korton, Mr. and Mrs. Fred Seech, Mr. and Mrs. Oscar Pallares, Mrs. Ethel Ullman, Mrs. Pat Werndel, Mrs. Pat Ross, Mr. and Mrs. Lynn Hammett and Mr. Jerry Stephens.

**MR. AND MRS. Carl Warrick** of Sierra Madre Villa were hosts last week at a dinner party. To accompany her ham, Mrs. Warrick made some of her famous (melt in your mouth kind) cinnamon rolls. As a grand finale she served home-made pineapple ice cream. Their guests were

Messrs. and Mesdames Albert Strong, Lee Pett, Harry Howard, Al Rebstock, Douglas Gouley, Kleth Neilson, Mark Shumway and Ward Helling.

**IF YOU** happened to be passing through Phoenix last weekend you might have run into Mr. and Mrs. George Clark, who were there for a few days attending a convention.

**THE AIKMAN** Armstrongs combined business with pleasure over last weekend and took a five-day trip to San Francisco, visiting with friends in the vicinity.

**MR. AND MRS. Elmer L. Bates Jr.** have moved into their newly purchased home at 1804 Pasadena Glen Rd. Mr. Bates is a student at the Fuller Theological Seminary in Pasadena. In addition to Mr. Bates' schooling, which will take two years, they have many hobbies together which include tennis, swimming, mosaic work, as well as being sports car enthusiasts.

**MR. AND MRS. Charles Klingerman** of Wynn Rd. entertained a group of friends last weekend at a dinner party. Their guests were Messrs. and Mesdames Byron Cavaney, Leland Klingerman, Pat Klingerman, Pete Vogel, Wendell Booth, D. A. Watson, William Norwood and Lud Hoop.

**MR. AND MRS. Richard** Richard have moved into their lovely new home at 3335 New York Dr. Their home sits on the summit of the hill and can be seen for miles around. Their view of the entire valley is breathtaking. They have two daughters. Rozann, 15, is a student at Marshall. She is 10th grade representative for the school, and next month she is going to Washington, D.C. to visit the United Nations and the Capitol. She won this trip in an essay competition. Their daughter, Suzann, age 9, is national champion baton twirler for her age. She is attending Eugene Field School this year. Mr. Richard is in business for himself, and when not working is playing in the garden, getting the landscaping done. (Playing?) You're not alone, Mr. Richard, we all play that way.

Incidentally, Gene and Milli have made a TV pilot film, which is on the verge of being sold for national consumption. Their proposed series shows the popular dancing couple at their favorite job—teaching children to dance. Friends have mixed

## HASTINGS RANCH NEWS

**BON VOYAGE**—Two members of Trinity Presbyterian Guild wave farewell as they prepare to go on a tour through the world of fashion at the group's fashion show. Theme of the show is "Port of Call." It will be held at noon Oct. 14 at the Altadena Town and Country Club. Shown, from left, Beverly Milligan, Eve Bowen.

### UP ON ...

## Hastings Hill

This week has been too baseball frantic for Lucie and Marge to have any sage comments on "our times." Do you know that you can get a booklet, "How to Deal With Your Tensions," from the Mental Health people, and that's all the helpful hints we have today.

Milli and Gene deWald's dancing classes began this week for the pre-teens. So the young ladies and gentlemen were out in their best to learn everything from the basic fox trot to the cha-cha, plus the whys and wherefores of dance floor etiquette.

Incidentally, Gene and Milli have made a TV pilot film, which is on the verge of being sold for national consumption. Their proposed series shows the popular dancing couple at their favorite job—teaching children to dance. Friends have mixed

feelings about the series, hoping it won't keep them (the deWalds) from their classes throughout Southern California.

Here's a new address for Joan and Ogden Boden, who deserted Hastings for Denver, changed their minds, and have been living in Sierra Madre until their new home was built in Altadena. Now they are at home at 1580 Gaywood Drive.

**LARETTA** and Paul Adams have had another try at their fishing skill up in the High Sierras. Can't decide who likes to fish the most—LaRetta or Paul.

**SPEAKING OF** fishing, Ed Hoffman had a time for himself deep sea fishing down Ensenada way. His catch included yellowtail and bonita, which ought to provide some very good eating.

**THE HARDISONS**, Phyl, Charlie and Robin, made a trek out to see the Hal Lefinwell family in their new home. Incidentally, Janie's mother, Dorothy Hamlin, has resumed her piano teaching and has classes every Monday, Tuesday and Wednesday afternoons at Sierra Madre Woman's Clubhouse. Her more than 30 years of teaching was interrupted when she spent some time in Panama and Europe.

**IN THE** teaching department, Annette Robyns, sister of our neighbors, Sylvia Stolzberg and Raynor Polack, has a class in jewelry making down at San Marino High School each Tuesday evening. Sounds like a real fun course and if she can teach her students to make as pretty pieces of jewelry as she had designed and made herself, they're in. Some of you probably saw her work when she had an exhibit at Sierra Madre Library a while back.

**THE REST** of this month appears to be a ball for the kids—three school carnivals, Assumption of the Blessed Virgin Mary Parochial School, Don Benito and Eugene Fields, follow in the weeks to come. The kids and parents alike should have their share of rides and attempts at the games of skill, by Nov. 1.

Lucie and Marge.

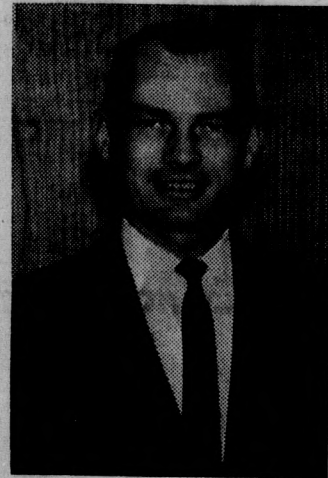

### Vinyard Theme Planned for Dance Party

"Vinyard Italy" will be the intriguing theme of the October dance party for members of the Hastings Ranch Dance Club, beginning at 8 p.m. in the Veterans Club in Sierra Madre.

A cocktail hour will open the event, followed by dinner and dancing. Host couples for the party are Mr. and Mrs. Ogden Boden, Mr. and Mrs. Neil Ludwig, Mr. and Mrs. Marvin McClain and Mr. and Mrs. Don Alsop.

### C. Hardison Appointed to New Post

Charles R. Hardison, 1255 Leonard, will become vice president and sales manager, southern division, for Foster and Kleiser Division of W. R. Grace & Co., in charge of sales activities for four branches in Los Angeles, Long Beach, San Diego and Phoenix.

Charles R. Hardison

Mr. Hardison has been sales manager of the Los Angeles branch since 1957, moving up from the post of assistant national sales manager, southern division. A former Navy Air Force pilot, he joined Foster and Kleiser in 1949 and has been active in Southern California advertising circles since that time.

He holds membership in Los Angeles Sales Executives Club, Los Angeles Advertising Club and Illuminators Society. He is vice president and national trustee of National Cystic Fibrosis Research Foundation.

### Wilson Sets Football Games, Parents' Night

Wilson Junior High students will have a busy October, with the annual Football Circus Oct. 17, first football game and the parents' "Back to School Night" on the immediate agenda.

Mrs. Don Taylor and Mrs. Draper Jennings are the Wilson co-chairmen for the football circus, to be held at the Rose Bowl a week from Saturday. Flag football will be the first event at 7 p.m. Bands will parade at 7:30. The junior high games will begin at 8 p.m. and the high school games at 9:10. The grand finale and presentation of awards will be at 9:40 p.m.

Wilson's first football games of the season will be against Marshall Wednesday afternoon after school, the Varsity playing at Marshall and the Bees at home.

Next Thursday will be "Back to School Night" for the parents of Wilson students, when parents will visit the classes of their children and meet the teachers. The meeting begins at 7:45 p.m.

The Wilson PTA membership drive began Monday and will continue through tomorrow, Mrs. Karl Anderson is membership chairman.

### Toastmasters Club Sets Oct. 14 for Installation

Sierra Madre Toastmasters Club will meet Oct. 14 in Marty's Western Restaurant for its semi-annual installation of officers.

Divisional governor, Don Foss, of Toastmasters International, will install Capt. Fred Hardesty of San Marino Fire Department, president; John Lodgson, administrative vice president; Henry

### AOPI Alumnae Meet Tonight At Wilson Home

Pasadena alumnae of Alpha Omicron Pi will open the fall season with a meeting beginning at 7 o'clock tonight at the home of Mrs. Wendell Wilson, 2619 Oak Knoll, San Marino.

Guests of honor will be mothers of all San Gabriel Valley AOPI actives and pledges currently in school.

A program of holiday hints, ideas for gift wrapping and decorations will follow the dessert hour arranged by the hostess and Mrs. Charles Stern, Mrs. Vernon Rose, Mrs. Neil Allen and Mrs. James Haynes.

### Club Juniors Plan Party In Valley

Deserting San Gabriel Valley for San Fernando Valley, Shakespeare Club Juniors will hold their first luncheon of the club year at Sportman's Lodge in North Hollywood Wednesday, Oct. 14 at 11:45 a.m.

The just-for-fun luncheon is under the chairmanship of Mrs. George E. Berger, who with Mrs. George Gilmore, has arranged for several juniors to model clothes from Pat Premo's fall and winter collection.

Calling the selection "Fashions a la Carte," the members modeling will include Mesdames Frederick W. Drury Jr., Gilmore, Ted R. Neher II, David Wyman and Walter E. Ziegler. Juanita Guess, fashion coordinator for California Designers, will comment.

Tables, set for groups of 10, will be brightened with basket cornucopias filled with leaves and flowers in autumn shades touched with accents of gold. Mrs. Seymour Weissner is doing the decorating.

Among those planning to attend are Mesdames Gene W. Archer, Delford B. McGee, Lloyd B. Pearson, Claude R. Hickman, Jack A. Archer and the club president, Mrs. Robert G. Cushman.

### Assumption Carnival Set For Oct. 18

The playground of Assumption of the Blessed Virgin Mary Parish School will be transformed into a gay fun land for the annual fiesta which will be held on Sunday, Oct. 18, from 1 to 7 p.m.

Mrs. Paul E. Price and Mrs. Willard E. Zierk, co-chairmen, have announced there will be a ferris wheel, airplane rides and a train for the youngsters; dancing for the teenagers; and, for the young in heart, booths for fun, food and prizes.

The Girl Scouts, under the supervision of Mrs. Tom McFadden, will assemble and staff a "Green Thumb" booth.

Beginning at 1 p.m. a spaghetti dinner will be served in the Parish Hall, under the able direction of Mrs. J. R. Sullivan, Mrs. E. J. Deir, Mrs. E. T. Bataille and Mrs. William R. Kelly.

As a fitting climax to an afternoon of fun, a cash prize of \$150 will be awarded to some lucky person.

### C. E. Harrison's Honored Guests At Stork Shower

Mr. and Mrs. Daniel W. Wells, 1390 Davenport, were hosts at a barbecue and stork shower honoring Mr. and Mrs. Charles E. Harrison.

Those in attendance were Mr. and Mrs. Albert Bergh, Mr. and Mrs. Robert Stewart, Mr. and Mrs. Hadley Ford, Mr. and Mrs. William Korzov, Mr. and Mrs. Paul Goldsmith, Mr. and Mrs. Arthur Code, Mr. and Mrs. Glen Wicklund, Mr. and Mrs. William Nicholson, Mr. and Mrs. John Boldemann, Mr. and Mrs. Bertram Potter, Mr. and Mrs. Ralph Kramer and Mr. and Mrs. C. Neal Rowley.

Mr. and Mrs. George A. Gollatz

### George A. Gollatzes Mark Golden Anniversary

Mr. and Mrs. George A. Gollatz of Altadena were honored on their golden wedding anniversary at a tea held in the home of their son and daughter-in-law, Mr. and Mrs. Robert Gollatz, 1275 Wynn Rd.

The Gollatzes were married Sept. 28 in Lancaster, Pa., and came to Pasadena in 1913. He is affiliated with Altadena Masonic Temple.

Mrs. Gollatz senior welcomed guests in a dusty rose lace and chiffon gown. Her corsage was fashioned of golden-throated orchids.

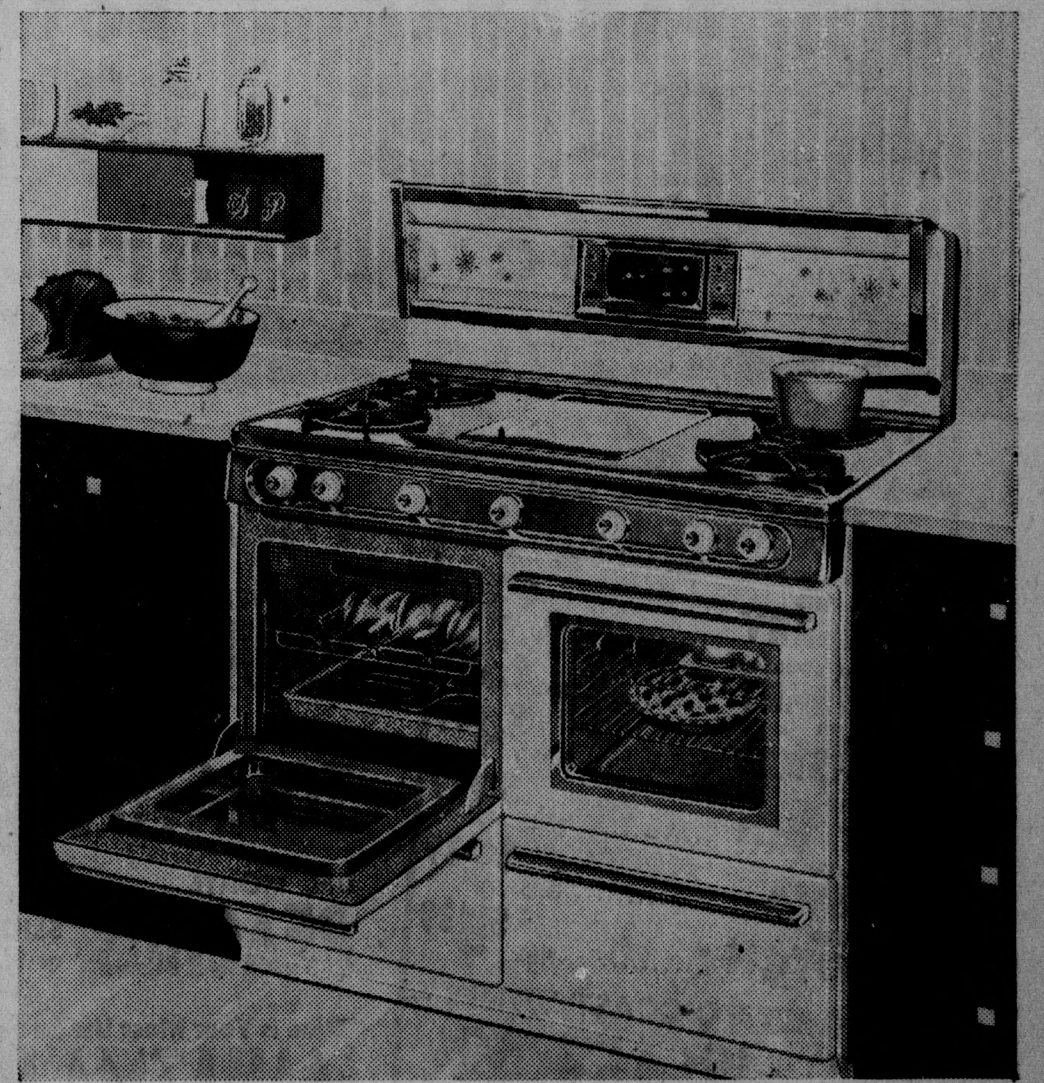

Debbie Gollatz took care of the guestbook for her grandparents.

Floral decorations were augmented by flower arrangements arriving from friends unable to attend the party.

A four-tiered wedding cake was cut to serve the 75 guests in attendance. Mrs. Al Fletcher, mother of Mrs. Gollatz junior, and Mrs. Florence Armstrong, long-time friend, officiated at the tea table.

Following the tea, a dinner party, with members of the immediate family in attendance, was held at Huntington-Sheraton Hotel where the guests of honor danced the Anniversary Waltz.

The recent celebration was the end of festivities started last July when the G. Robert Gollatzes, daughter, Debbie, and the Marvin R. Kuppings, son-in-law and daughter of the honored guests, presented the senior Gollatzes with a trip to Hawaii, and accompanied them on the holiday.

Committee chairmen include Mrs. Robert Cameron, program; Mrs. Schuyler Dalton, membership file; Mrs. Lackey, recommendations, and Mrs. Henry E. Zilgitt, telephone.

Co-hostesses for the luncheon were Mrs. Charles Carter and Miss Olive LeClair.

## O'Connor Funeral Held Oct. 2

Funeral services were held last Friday at Ripple Mortuary for Thomas Nelson O'Connor, age 44, residing at 1415 Daveric, who died suddenly Sept. 29, 1959. Rev. Harley Gibbs Smith Jr. officiated with interment at Live Oak Cemetery, Monrovia.

The deceased, a native of Chicago, Ill., was a veteran of World War II, having served in Africa and Europe, a 1952 graduate of University of Southern California, president of Alpha Delta Sigma alumni, past president of Toastmasters Club at Consolidated Electronics Corp., where he formerly held the position of divisional advertising manager, a member of O.S. Power Boat Squadron and D.A.V., Pasadena Chapters.

He is survived by his wife, Mary Ann O'Connor, and brothers, John H. of Park Ridge, Ill., and William H. of Libertyville, Ill.

## Jewelry Class Opens in San Marino

Allen Sterris, director of adult education, has announced Annette Robyns, well-known designer of contemporary jewelry, will conduct a creative jewelry class at San Marino High School each Tuesday evening at 7 o'clock.

The course offers an opportunity for self-expression in jewelry making under expert guidance. Students will work with silver and copper, making rings, earrings, pendants and other jewelry.

Miss Robyns is internationally known, having had exhibitions of her work in Copenhagen, Paris, San Francisco and in New York Metropolitan Museum. She maintains a studio in Hollywood at 1018 1/2 N. Fairfax Ave.

There are still vacancies in the class. Those wishing to register may go to Room 55 at the high school Tuesday night at 7. There is a \$2 registration fee for the 15-week course.

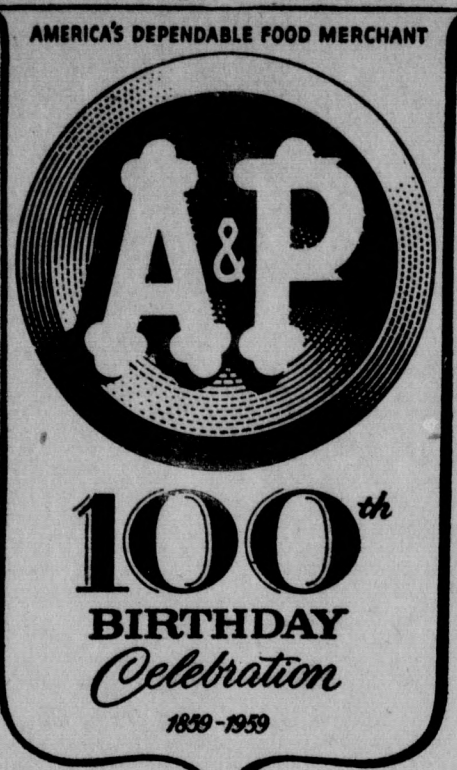

Always look into the future—that's where you are going to spend the rest of your days.

## Richard E. Brownings Have Silver Anniversary Party

Mr. and Mrs. Richard E. Browning, 3665 Shadow Grove, were honored at a reception in celebration of their silver wedding anniversary. Co-hosts of the party, held in the Browning home, were his sister and brother-in-law, the Morgan Hales, and a son and daughter-in-law, Mr. and Mrs. Richard L. Browning.

The white tiered wedding cake was topped by the bride and groom figures which had adorned the Brownings' wedding cake. Behind the figures stood a large silver "25."

Dr. Robert N. Shaper of Bethany Church in Sierra Madre performed a brief ceremony in which Mr. and Mrs. Browning repeated their marriage vows and she presented her husband with a white gold wedding ring.

Richard L. Browning, the honored guests' eldest son, greeted guests, as did his younger brother, James. Their sister, Judy, was unable to be present since she is attending college in Illinois.

Mrs. Adele Martin, long-time friend of Mrs. Browning, served the cake and

those assisting at the tea table were Mrs. Don Davis and Mrs. Hal Everest of Pasadena, Mrs. John Dunham of Alhambra and Mrs. Mattie Hailey, Mrs. Gene Baird and Mrs. Henry Childers, all of Sierra Madre.

Among the 110 guests at the party were Mrs. Browning's parents, Mr. and Mrs. James C. Reinhard, and her brothers and sisters-in-law, Mr. and Mrs. James W. Reinhard and Mr. and Mrs. Robert Reinhard.

Also present were his brother and sister-in-law, the Baids, vacationed in Hawaii for three weeks last July, in celebration of this special anniversary.

## Carbon Monoxide Poisoning Result of Carelessness

(Presented as a public service of the Foothill District of the Los Angeles County Medical Association)

With cold weather comes one of the most vicious threats to human life—carbon monoxide gas poisoning. Because of its odorless, colorless and tasteless qualities, the gas attacks its victims without warning, frequently resulting in death.

The most common source of carbon monoxide gas is the exhaust from an automobile. In real cold weather, persons are inclined to drive with the windows tightly closed. The exhaust fumes seep into the car where they are inhaled. Because of the odorless, colorless and tasteless characteristics, persons breathing the fumes are unaware of the gas until symptoms develop. These vary, depending on the amount and time of exposure.

THE first symptom may be headache, then dizziness, muscular weakness, disturbed memory, loss of consciousness, coma and frequently death. One frightful complication, as the condition progresses, is the inability to move because of muscular weakness even though consciousness remains.

How does this strange gas act chemically? As it is inhaled, the carbon monoxide mixes with the hemoglobin, the oxygen-carrying red pigment of the red corpuscles in the blood. The normal function of red cells to carry oxygen from the lungs throughout the body is essential to good health. When their purpose is impeded by conveying carbon monoxide gas, instead of oxygen, suffocation results.

While carbon monoxide gas poisoning can occur at any time, the condition is more acute in cold weather when there is a tendency to keep windows and doors closed. This is particularly true in garages and homes using improperly working heating equipment and gas-burning appliances.

WHENEVER COAL, wood, oil or any other fuel is burned, carbon monoxide forms. During cold weather, ventilation is likely to be reduced to a minimum. This encourages increased concentrations of the gas to build up. If a person is exposed for a long period of time without detection, death will result. If, however, the victim is found before too long after exposure, fresh air should be admitted and artificial respiration employed. Preferably the patient should be

Playhouse Fare . . .

Farce Is Well Staged,  
Acted, but Over-Stuffed

By Edward Voorhes

The Pasadena Playhouse opened its 43rd season Thursday evening, Oct. 1, and its 972nd mainstage production, with Norman Krasna's farce of New York fame, "Who Was That Lady I Saw You With?"

An air of expectancy, gaiety, and reunion was visibly heightened by a periwigged carriage footman greeter in the 18th century costume at the curb and a striking array of framed photos on the foyer wall of former pupils of the Playhouse's dramatic school, now nationally famous on stage, screen and television.

IN THE story, Ann, the girlish wife of David Williams, a young Columbia professor of chemistry, had earlier arrived at his office to find him being embraced by a young woman unknown to her. She rushes off home in a huff and phones him that she is taking the night plane for Reno to get a divorce, refusing to accept his (true) story that the young woman was one of his students thanking him for allowing her to transfer from his morning class to the afternoon section.

Panic-stricken at Ann's decision, David phones his long-time bachelor friend and boon companion of his own bachelor days, Mike Haney, to come to his rescue with some bright ideas from that erratic writer's brain of his.

BY SOME faked hocus-pocus of the two men, the suspicious Ann is at long last persuaded that both of them are undercover operators for the F.B.I., and that the episode of the girl in David's

actually a region under the Empire State Building!

THERE'S FUN to be had running with the hounds, if you don't get unhorsed on the course or lose the scent. In the opinion of this reviewer, this play, though well cast, well acted and cleverly staged throughout, does not in its later scenes fulfill the promise of its beginning, due to overstuffing of action to the point of indigestion and thereby dragging its feet—the very reverse of its intention.

The ingenious stage set of revolving-and-sliding parts, useful transparencies, and push-button machinery brought applause for Don J. Memacle.

office was a confidential matter in his line of F.B.I. duties. From that time forward, Ann becomes so eager to hold her husband's exciting, "undercover" career that Mike gets beyond his depth in trying to stop succeeding events stemming from the F.B.I. bureau's discovery that someone is impersonating their men—and finally they pin it on David and Mike, and eventually Ann!

After a shuttling career via F.B.I. phone booths and headquarters, and shooting in a Chinese restaurant over mistaken identities, in the 13th scene of the play the not-quite innocent professor, who has meanwhile been doped, comes to in a state of split-consciousness to find himself alone in what seems to be the engine room of a sinking submarine—but is

Your  
Pharmacist  
Says . . .

Some people go years without paying attention to their health. Others need a doctor on hand to start the day—everyday. Between these extremes are great numbers of thinking people caring for their health in an orderly manner. They see their doctor at regular intervals for guidance. When he gives them a prescription they take it to a dependable pharmacy.
